AGREEMENT

Permission is hereby granted to _____, as Owner or Owner's Legal Representative for the property noted above, to construct the structure as detailed on plans and specifications submitted to and reviewed by the Building/Planning Department of the Town of Bayfield.

In consideration of the issuance of this permit, the undersigned hereby agrees to comply with all building codes and land use regulations adopted by the Town of Bayfield. The undersigned further agrees that if the above said ordinances are not fully complied with in the location, erection, construction and use of the above referenced structure, the permit may then be revoked by notice from the Town of Bayfield thereby rendering it null and void. The Town does not engineer for drainage. Builder must be in compliance with the Town Land Use Code and with other appropriate codes for drainage.

The issuance of a permit based upon plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data or from preventing building operations from being carried on thereunder when in violation of this Code or any other ordinance or regulations of this jurisdiction.

The review of the submitted plans and specifications and the inspections conducted thereafter do not constitute an acceptance of any responsibilities or liabilities by the Town of Bayfield for errors, omissions or discrepancies. The responsibility for these items and implementation during construction rests specifically with the architect, designer, builder and owner and comments are intended to be constructive and in support of the owners interest.

I hereby certify that I have read and examined this application and know the same to be true and correct, that all provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not, and that the granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction and that I make this statement under penalty of perjury.
