In 2018 the Board of Trustees adopted “Plan Bayfield 2018” the Bayfield Comprehensive Plan (Comp Plan). After four years, the Town of Bayfield is looking at making amendments to the Comp Plan in order to keep it relevant and consistent with community values and goals. The Comp Plan amendment process will include public outreach to seek input from community members at key points throughout the process. One piece of the public outreach process is the creation of the Comp Plan Working Group. The Town solicited letters of interest from residents (both inside and outside Town limits) and business owners to be a part of the Working Group and the Board of Trustees approved the members on July 19, 2022. The Working Group's role will include:

- Monthly meetings from August, 2022 until March, 2023;
- Collaborate with the group;
- Supplement other public input received;
- Help research relevant mandates and initiatives and collect data sources;
- Provide guidance, review and feedback to Town staff on the mission, vision, values, policies, objectives and implementation measures; and
- Make recommendations to the Planning Commission and Board of Trustees.
