The Town of Bayfield provides community service funding to outside agencies in the annual budget. Applications for funding are accepted each year and are considered during the budget process. Funding will be based on availability of financial resources. Submittal of an application does not guarantee an agency will receive funding. The following information provides guidance to applicants.

- Applicants must submit a copy of Certificate of Good Standing from the Colorado Secretary of State.
- Applicant must provide programs and services to Town residents.
- Funding request must be consistent with Town goals and vision <https://townofbayfield.colorado.gov/>
